Where to Begin?

Homework!

Learn to speak their Language!

STATS – Beneficiaries And Providers

- What % of Births are Medicaid
- What % of Children/Adolescents (age groups) are Medicaid
- What % of these groups are in IIS
- What % of IIS are Medicaid beneficiaries
- **EHR Incentive Program**
 - What % or # Medicaid Providers participating in the EHR program
 - How many Medicaid Providers submit IMMS? Query? Are VFC?

Homework!

Understand Medicaid's goals

Where to Look!

- What is Medicaid's Mission Statement
 - How does it compare to yours?
- Learn high points of Medicaid Agency State Budget
 - Also know what PH is bringing to the table financially – Necessary if you want to discuss Medicaid 90/10 or 75/25 funding support
- Is your state a Medicaid Expansion State?
 - If yes, how did that impact the Medicaid Eligible Adult population
- Read your states State Medicaid HIT Plan (SMHP)

Homework!

Understand Medicaid's structure

Where to Look!

- Get the Org Chart
 - Who oversees the EHR Incentive Program?
 - Where do they land in relationship to the Medicaid Director?
 - Who manages the development of the HIT APD (Advance Planning Document)?
 - What is the APD schedule?
- CMS
 - Which CMS Medicaid Region does your state belong?
 - Who is the CMS Regional Representative?
- HIE Organization
 - Are there other organizations that oversee Health Information Exchange development within state government? Do they have public meetings? ATTEND and NETWORK

 - National Conference of State Legislatures website: <http://www.ncsl.org/research/health/>

Homework!

Where do efforts currently intersect?

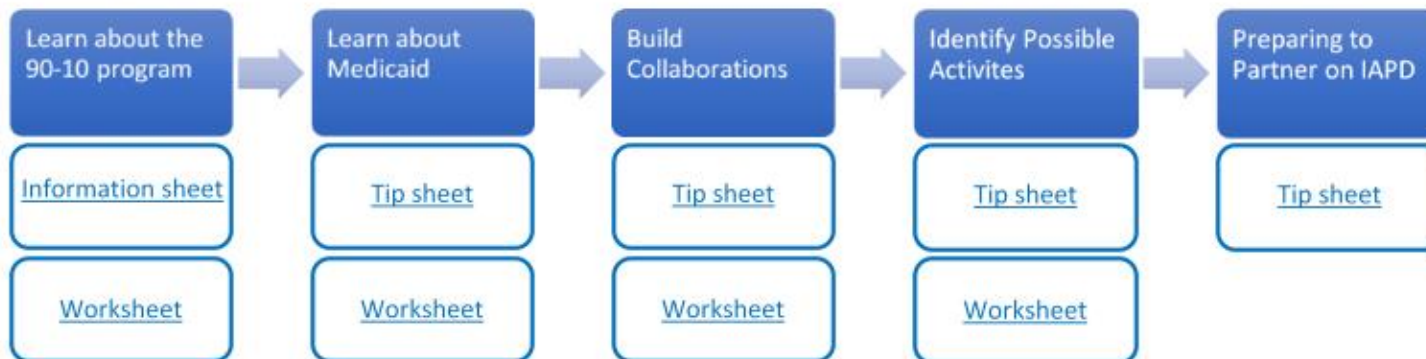

Existing Collaborations

- **HEDIS** – Does the IIS program already work with Medicaid Health Plans to provide data to help them with their data quality measures for CMS?
- Special Projects

6|18 Initiative:

Accelerating Evidence into Action

<https://www.cdc.gov/sixeighteen/>

Phase 1: CDC is partnering with 9 State Medicaid Agencies to improve and accelerate implementation of the 6|18 interventions to achieve better care, better health outcomes, and lower costs.

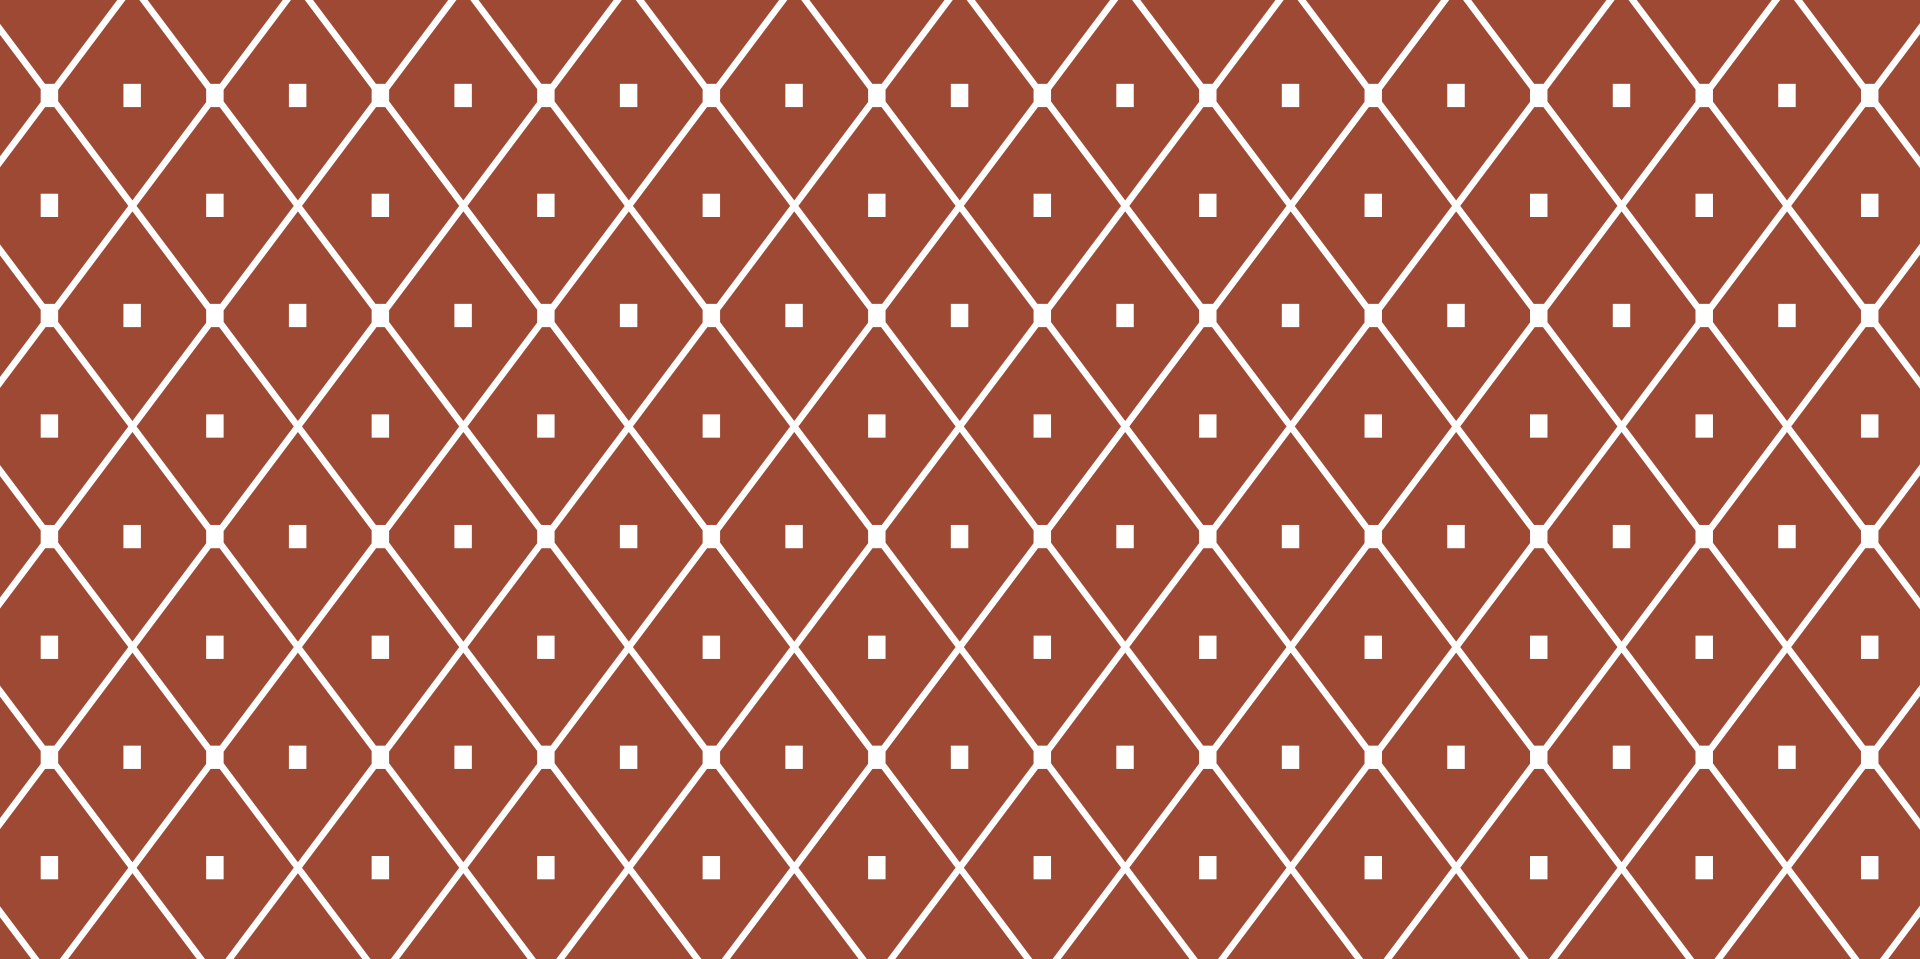

Phase 2: More States!

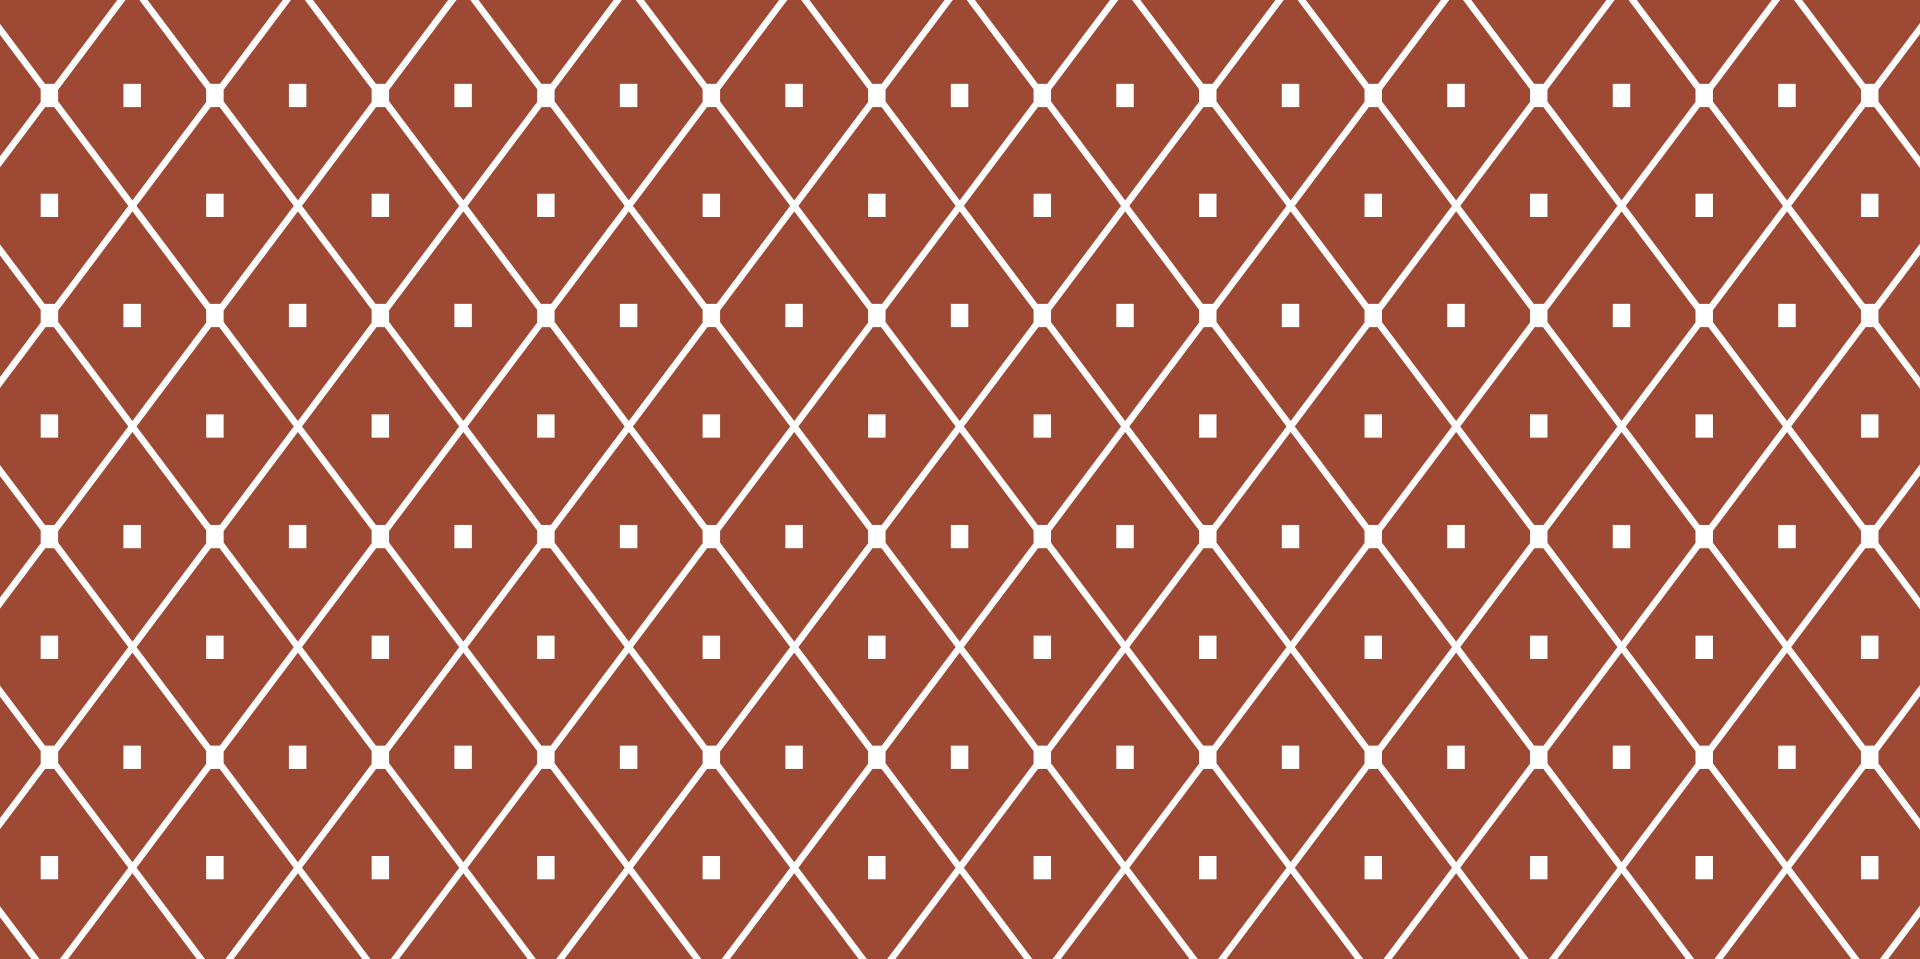

Thank You!
