Report Legend

The following report legend provides an explanation of each item captured in support of each term. Note each term will have some or all the items completed as appropriate.

Report Label	Description
Term (Acronym)	The term name. If there is an acronym for the term, it appears in parentheses.
Definition	The meaning of the term.
Comment	An observation intended to explain, illustrate, annotate, or critique.
Example	A sample that may be taken as typical or representative.
Term Alias	A synonym of the term.
CDC-Endorsed Data Element X-Walk	A reference source showing the mapping between the MIROW term and the term(s) in CDC Endorsed Data Elements. Each reference will include the associated definition. Category 1 and 2 MIROW terms should have crosswalk reference(s).
MIROW Guide	The MIROW Guide Reference where the term has been defined.

MIROW Guide Reference

The following MIROW guide reference provides a reference for each of the MIROW guides, the name of each guide, as well as the acronym used as a reference in the term reports.

Guide Name	Acronym
Vaccination Level Deduplication in Immunization Information Systems	VD-2006
Data Quality Assurance in Immunization Information Systems: Incoming Data	DQA-2008
Reminder/Recall in Immunization Information Systems	RR-2009
Immunization Information System Collaboration with Vaccines for Children Program and Grantee Immunization Programs	DLE-2011
