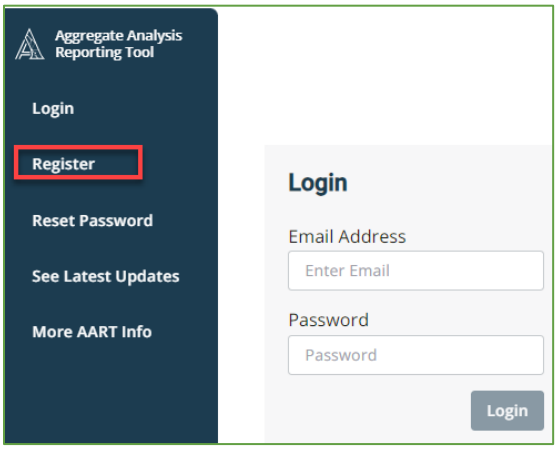
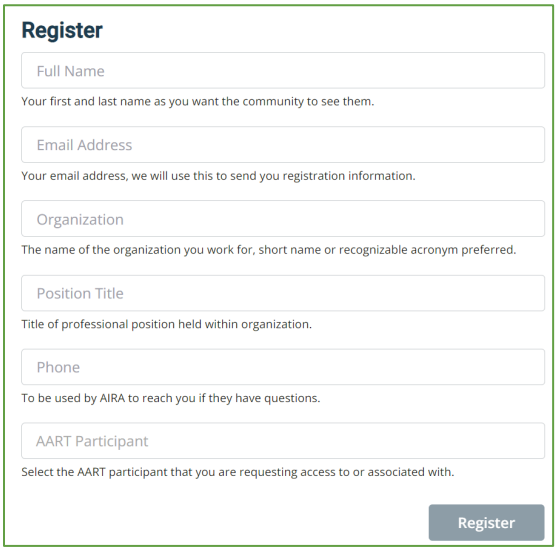
Registering for Access to AART

Instructions

1. Go to the AART login page: https://app.immregistries.org/aart/home/.
2. Select **Register** from the left-side menu.



3. Enter the following details:
    a. Full Name
    b. Email Address
    c. Organization
    d. Position Title
    e. Phone (must be 10 digits)
    f. AART Participant - select the appropriate jurisdiction, organization or IIS Vendor you are requesting access to or are associated with



4. Click the **Register** button.

Information provided in this publication was supported by the National Center for Immunization and Respiratory and Disease of the Centers for Disease Control and Prevention (CDC) under award number 6 NH23IP922665-01-01. 5. Read and sign the agreement information by entering your first and last name at the bottom of the screen, then click **Agree**.
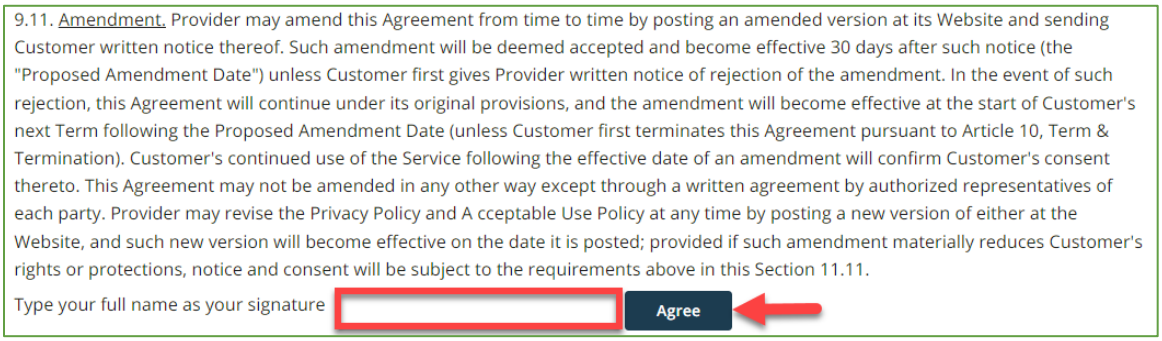
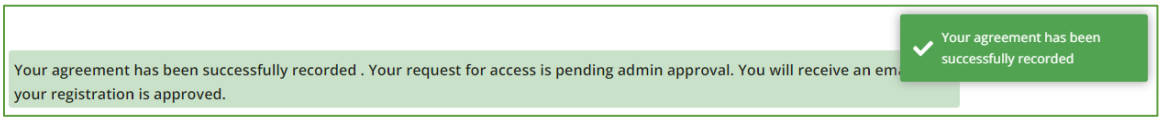
    a. *Note*: You must enter the same first and last name entered on the registration screen.



6. Congratulations! Your registration request has been submitted. You will receive the following message:



What happens next?

You will receive an "AART Registration Confirmation" email that indicates your registration has been submitted, along with temporary access to AART. Once approved by an AART Administrator for the requested jurisdiction, you will receive an email indicating your access has been approved.

Note: You will be prompted to change your password when first logging in. Temporary access allows you to log in to AART, but you cannot view any IIS data.

If you have not been approved to access AART within 7 business days, please contact the AIRA Technical Assistance Team.

Need help?

Please complete the Technical Assistance Request form if you need assistance.
